## ABOUT US

Are you looking for a [Georgetown dentist](#) that offers their patients the highest quality of care? If so, then you have come to the right place! Our team at Westinghouse Dental is highly experienced, and every dental technology that we use is state-of-the-art in its own right. We will do whatever it takes to make sure that you receive the best possible care for your oral health needs. We offer affordable rates and are dedicated to making sure that all of our patients receive the care that they need for their dental health. Whether you need dental cleanings, fillings, or general dental care, we'll take care of whatever you need to ensure that you have the best possible dental health. If you need a new smile, then look no further than our office. We will be happy to identify the correct treatment plan for your needs, and we'll work hard to make sure that you enjoy your experience here with us. Call us today for an appointment and leave your worries behind because we can do it all!
