## Services

Non-surgical regenerative treatments for pain associated with sports injuries, arthritis and other musculoskeletal conditions

At QC Kinetix (Augusta), we provide proactive and regenerative solutions to back pain. Our team of doctors is dedicated to giving our patients the best possible experience through non-surgical treatment options. Our approach allows us to treat each individual with the utmost compassion and care as we focus on eliminating discomfort and improving quality of life. Additionally, our passion for helping people feel better and live better drives everything we do—from the groundbreaking back treatments we provide to the compassionate support we offer patients every step. We understand there are a variety of factors that can contribute to back pain, including poor posture and sports injuries. Our team of physicians is committed to finding the best possible solution to your condition and enhancing your quality of life. Therefore, by using advanced techniques, our Augusta back pain treatment clinic delivers the answers you need to help relieve pain and improve mobility. We also believe in regenerative medicine as a solution to back pain.
